Western Fuel Co. LLC would like to thank you for completing the attached application for employment. We ask you to provide us with as much information as possible about your experience and previous work history.

- 1. Please print in all areas except for signature.
- Please complete all shaded areas.
- 3. Please show your name on the application as it appears on your driver's license.
- 4. In the area labeled "Driver Experience", please check or circle each type of truck you have driven in the past. The miles can be an estimate, unless you know the number.
- 5. For the areas labeled "Accident Record" and "Traffic Conviction and Forfeitures" please list all accidents and convictions. With your permission we will be ordering a MVR. Failure to disclose an accident or traffic conviction can prevent you from driving a company vehicle. If you have not had an accident or traffic convictions please write "None" across these sections.
- On the second page you will find a place to list previous employers. Please list your last three employers or 10 years of commercial driving experience. If you need additional room to list employers, please list them on an additional page. A correct address and/or phone number for each employer is very important as we are required by law to contact them.
- 7. Please make sure you leave a legible copy of your driver's license with this application.
- 8. Please make sure you leave a legible copy of your "Medical Examiner's Certificate" (physical card) with this application.
- 9. We ask that you please read, sign, and date all sections of the application. This will assist us in gathering the information required by the Federal Motor Carriers Safety Administration.
- The Certificate of Violations must list all traffic violations (other than parking violations) for which
 you have been convicted or forfeited bond or collateral during the past 12 months.
- 11. If you have questions, please ask for assistance. I will be glad to answer any questions.

The requirements in Part 383 apply to every driver who operates in intrastate, interstate, or foreign commerce and operates a vehicle weighing 26,001 pounds or more, can transport more than 15 passengers, or transports hazardous material that requires placarding.

The requirements in Part 391 apply to every driver who operates in interstate commerce and operates a vehicle weighing or rated at 10,001 pounds or more, can transport more than 15 people, or transports hazardous material that requires placarding.

Driver Requirements: Contained in Parts 383 and 391 of the Federal Motor Carrier Safety Regulations are certain requirements you as a driver must comply with. They include the following:

- 1) You, as a commercial vehicle driver, may not possess more than one license.
 - a) If you have more than one license, keep only the license issued by your state of residence and return the additional licenses to the state(s) that issued them. Simply destroying a license does not close the record in the issuing state. If a multiple license has been lost, stolen, or destroyed you must notifying the state of issuance you no longer want to be licensed by that state.
- 2) If at any time you violate a state or local traffic law (other than parking) you must report it to your employing motor carrier. If the violation occurred out of state you must also report it to the state that issued your license. The reports must be submitted in writing within 30 days.
- 3) Section 383.23(a)(2) requires your commercial driver's license be issued by your state or jurisdiction of domicile. Upon relocating your residence to another state you are required to transfer your CDL to that state within 30 days.

Section 391.15(b)(2) and 383.33 of the Federal Motor Carrier Safety Regulation requires you to notify your employer by the end of the **next business day** of any revocation, suspension, cancellation, or disqualification of your driver's license or privileges.
